

Mobil DTE™ 26 saves plastics manufacturer Modern Mold Plast Pvt. Ltd. INR 4,84,480 with an 8.5-year ODI

Energy lives here™

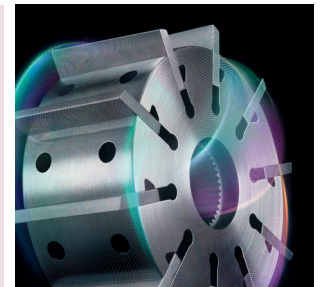

FMI Omega 660W | Plastics Manufacturer | Ghaziabad, Uttar Pradesh, India

SITUATION

A leading Indian manufacturer of household plastic furniture, Modern Mold Plast Pvt. Ltd. commissioned 4 FMI Omega 660W plastic molding machines in 2008. The company was looking for a hydraulic oil that would help achieve high productivity at minimum maintenance cost.

BENEFIT

Thanks to the superior performance of **Mobil DTE 26**, the company has benefitted from increased equipment uptime and long ODI.

RECOMMENDATION

The ExxonMobil technical team recommended **Mobil DTE™ 26** for use in the hydraulic system of injection molding machines for maximum productivity and enhanced equipment protection. In addition, the team conducted regular condition monitoring analysis and site inspection. They then advised the customer on best practices for filtration and system cleanliness.

IMPACT

The performance of **Mobil DTE 26** was monitored through **Mobil Serv™ Lubricant Analysis** based on oil condition, machine wear and contamination levels. It was observed that the oil helped achieve ODI of more than 8.5 years (72,252 hours). In addition, its enhanced anti-wear property and quality reserve extended component life. The customer was able to lower equipment downtime and total cost of lubrication. The result? Potential annual savings of INR 4,84,480.

**Advancing
Productivity™**

Advancing Productivity

Helping you reach your Safety, Environmental Care and Productivity goals through our innovative lubricants and services is our highest priority. That's Advancing Productivity. And that's how we help you achieve your broader vision of success.

This Proof of Performance is based on the experience of a single customer. Actual results can vary depending upon the type of equipment used and its maintenance, operating conditions and environment, and any prior lubricant used. For more information on other Mobil™-branded industrial lubricants and services, contact your local ExxonMobil representative. Images featured may not be representative of actual site conditions or environment.
*Visit mobil.com/industrial to learn how certain Mobil-branded lubricants may provide benefits to help reduce environmental impact. Actual benefits will depend upon product selected, operating conditions and applications.
